Inter-House Crib- Making Competition

DATE-18,DECEMBER,2024

Creative crib-making competition was held in our school to celebrate the joyous occasion of Christmas on 18/12/24. The competition was organized for students from classes 6 to 9 and class 11. It aimed to bring out the festive spirit while encouraging creativity, teamwork, and a deeper understanding of the true meaning of Christmas.

Each group was asked to create a crib that depicted the birth of Jesus Christ in a unique and meaningful way. The students were encouraged to use a variety of materials, including clay, cardboard, wood, and natural elements like straw and twigs. Some groups also incorporated lights and miniature figures, making the cribs come to life with a vibrant, festive glow.

The crib-making competition was a huge success, fostering a sense of unity and celebration among the students. It was not only a fun and creative activity but also an opportunity to reflect on the true meaning of Christmas—the birth of Jesus and the spirit of love, joy, and peace.
