Greeting Card Making Activity

Date- 25.08.26

A **Greeting Card Making Activity** was conducted for the students of **Classes V to IX** on **25th August 2026** during the **5th and 6th periods** as part of the **Teacher's Day celebrations**. The activity was based on the theme, "*A Teacher Inspires, Guides and Shapes the Future.*" Students enthusiastically participated in creating colourful, creative and thoughtful greeting cards to express their **love, gratitude and respect** towards their teachers. They adorned the cards with beautiful drawings, creative decorations, meaningful quotes and heartfelt messages. The activity provided students with an opportunity to express their appreciation for their teachers in a creative and meaningful manner, making it a warm and memorable part of the Teacher's Day celebrations.
